**NOTE:** INSTRUCTORS WILL OFFER EXERCISE 'OPTIONS' SUITABLE FOR VARYING FITNESS LEVELS THROUGHOUT THE CLASS. **PLEASE INFORM YOUR INSTRUCTOR OF ANY PRE-EXISTING INJURY OR ILLNESS BEFORE THE CLASS COMMENCES.**

ACTIVE STRENGTH	A fully supervised class aimed at improving seniors muscle strength and mobility. Exercises focus on technique for resistance training and provide education on the most effective exercises to build and maintain muscle strength and mobility.
BODY ATTACK	BODYATTACK® is the sports-inspired cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilisation exercises.
BODY BALANCE	BODYBALANCE® is the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centred and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance
BODY PUMP	BODYPUMP™ is an addictive workout that challenges all of your major muscle groups by using the best weight-room exercises such as squats, presses, lifts and curls. The key is THE REP EFFECT™, focusing on high repetition movements with low weight loads. This will help you achieve strength and introduce lean body muscle conditioning.
BOOTY BARRE	<b>Bootybarre</b> is a fun, energetic, <b>workout</b> that fuses techniques from Dance, Pilates, and Yoga that will tone, define and chisel the whole body.
BOXING	Partnered boxing session using gloves and focus pads. Training partner not required as instructor will match you with someone. Option to wear a heart rate monitor and see your concerted physical activity on a screen in real time.
CX WORX	CXWORX™ really hones in on the torso and sling muscles that connect your upper body to your lower body. It's ideal for tightening your tummy and butt, while also improving functional strength and assisting in injury prevention.
CYCLE	A freestyle indoor cycling class requiring energy but not coordination. Push your legs and glutes to their max with the fun tunes and buzzing atmosphere of Cycle. You control your own resistant levels and sprint speed so you can build up your training level over time. A fun and furious workout.
FLOW YOGA	A dynamic style of yoga that flows from one pose to the next incorporating sun salutations and connecting your breath and movements. Involves less instruction with postures. Previous yoga experience preferable
GET ACTIVE	This class is designed to be a fun way to activate your Cardio, Strength & Balance fitness. Suitable for over 50 participants & anyone who likes old style classes with lots of options in impact & intensity.
H.I.I.T. (45mins)	HIIT, or high-intensity interval training, you give all-out 100% effort through quick, intense bursts of various exercises followed by short, sometimes active recovery periods. This type of training gets and keeps your heart rate up and burns more fat in less time.
Mobility (30mins)	30min Class improving movement mechanics to optimize athletic performance and to preventing injury during workouts, improve flexibility, recovery and range of motions.
MXT	[Millennium Cross Training] A high intensity, circuit based workout that includes resistance training, sports training and cardio exercises. This class uses fundamental patterns such as running, squats, lunges and push ups in a challenging combination to get you sweating and breathing heavy.
PILATES	A mat based class that is a great way to strengthen the lower back and core muscles. Pilates improves posture, mobility, balance and stability.
RPM	RPM™ is an indoor cycling class where you ride to the rhythm of powerful music. Take on the terrain with your inspiring instructor. You control your own resistance levels and sprint speed so you can build up your training level over time.
YOGA	Hatha Yoga incorporating many yoga styles which get your body moving and stretching in all directions. Learn good posture, how to breath, stretch your limits and find stillness at the end of it all. Suitable for everyone.
YIN YOGA	Yin yoga opens up tightly knit fascial tissues in 3-5 minute long hold stretches done mainly on the floor. It can help the body to regain its full range of motion over time. Yin can help relieve stress and pain and it is a more gentle style of yoga. Wear warm clothing, bring a blanket.
ZUMBA	An aerobic fitness program featuring movements inspired by various styles of Latin American dance that is fun and easy to follow. Join the Zumba revolution!!
